INT DAY

JONATHAN SMITH is asleep in bed. He stirs, opens his eyes, rubs them and yawns. He sits up and is confronted by NEDDAREEG, a confident, jolly gnome, sitting at the bottom of his bed, playing with one of his shoes and grinning.

NEDDAREEG

JONATHAN  
Say what? Who are you and what are you doing on my bed?... with my shoe?

NEDDAREEG  
Hoofla jupp jupps? Inta fringoo dresh Neddareeg!

NEDDAREEG looks bewildered and baffled

JONATHAN  
Listen right, I dunno who you are or what you're doing in my room but I'd be grateful if you'd go please (pointing towards the door)... erm.... Like now!

NEDDAREEG looks sad, then jumps off the bed and excitedly points to the door

NEDDAREEG  
Iffly froop hensp! (Jumping up and down) Neddareeg! Neddareeg! Neddareeg!

JONATHAN  
Like what's with all this Neddareeg stuff?

NEDDAREEG stares quizzically and unnervingly at JONATHAN for a few seconds.

JONATHAN  
Man you're freaky! (JONATHAN goes to the door, opens it, looks back and exits)

NEDDAREEG  
(Saddened that he's all alone) Neddereeg.
